CLAIMS FOR DAMAGE: GET A BAD ORDER REPORT IMMEDIATELY upon receipt an unsatisfactory shipment from your express agent. Send it to us with a list of damaged plants so we may replace them and file claim for the loss. Inasmuch as we have no control over the transportation agencies, we cannot be responsible for injured or delayed deliveries, etc. Our packing is all done by men of experience who have done it for years and any trouble must be settled with the carrier. However, we will do all we can to assist you if you will get the BAD ORDER REPORT from your agent immediately and mail it to us so we may replace lost plants and file claim for the loss.

NO GUARANTEE: While we use every possible care to have all varieties properly labeled and true to name, we give no warranty expressed or implied, also we cannot guarantee a crop as growing depends entirely upon the grower.

CANCELLATION: We will accept cancellations only if your cancellation, letter, card, wire, or phone message reaches us before the Express Company picks up the plants. If all or any part of your order has been shipped, we can cancel the *unshipped portion* only.
